## Selectmen's Meeting

### ATHLETES CONGRATULATED

Mattapoisett Selectmen met with Lance Martin and Jeffrey Hoff in order to congratulate the two boys personally for outstanding athletic achievement. Jeffrey Hoff and teammates were congratulated for their excellent performance in winning the Pony League World Series held in Texas.

The Selectmen stated, "We know that this memorable moment will linger with you for years to come; and as a representative of the Town of Mattapoisett, the residents are especially proud of you.

"We wish you success in all your endeavors in the future."

Lance Martin was congratulated for his recent performance in the televised Junior Olympics.

The Selectmen said, "We know that your participation in this athletic event was due to your hard and diligent work; and the Selectmen want you to know that they are proud to

## DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

in his opinion there are enough outlets in town to serve the public and that the proposed location was too near to Freddie's Package Store on Route 6 to justify another store. Chairman R. William Blasdale agreed and Selectman Hubbard made the vote unanimous. PUBLIC BUILDING STANDARDS DISCUSSED

Building Inspector Jonathan DePina met with Selectmen at their request to discuss the inspection of buildings serving the public. Selectmen are concerned about the recent Kentucky fire which led to a lawsuit against public officials on the grounds that they are allegedly negligent in not requiring that the burned buildings conform to the fire code. Mr. DePina said that until recently the building inspector did not have authority to inspect existing old buildings in Mass. Recently, however, he said an amendment to the code gives him that authority. The Selectmen told Mr. DePina that they would like him to inspect these older public buildings which serve the public and to give the owners a reasonable schedule of time in which to comply with the fire code laws. The Selectmen said that they don't want to cause hardship to the owners but do want to see that the public is properly safeguarded

Both Herb and Cynthia Shultz say they like banking with us because of the many, many services we provide and the way we treat them.

Whether they bank inside, or outside at one of our drive-up windows, doesn't matter. The Shultzes, like so many of our customers, would rather take a few minutes longer to drive to our place than bank at several others closer to home.

The way we see it — just like the Shultzes of North Dartmouth — there are banks and there is our bank.

### POLICE GARAGE BIDS OPENED

Bids for altering the police garage in the Town Hall to give necessary height and locker space for the modular ambulance were opened and read. Target Engineering, Inc. of Westport, Mass. bid \$9,990.; K.F.C. Construction Company of 390 John Street, New Bedford bid \$11,800. Executive Secretary Stephen Lombard was told to check the specifications and accept the low bid if all conditions are met.

### DISCUSS ELECTED OFFICIAL SALARIES

Robert H. Urion, Finance Committee chairman, met with Selectmen and Personnel Board members to propose a review of the salaries of elected officials. He noted that some elected officials are now receiving compensation which has increased greatly over a period of many years. He asked. "Should a newly elected official start at

that same level or should it revert to a lower starting figure?" He asked, "should the town employees' salaries always continue to increase automatically? Should no control be exercised over both town employees and town officials?"

Mr. Urion pointed out that the merit increases seem to become not based on merit but simply automatic. He said that elected salaries are set by an uneven process of appeal to the Finance Committee and Town Meeting vote. He suggested that the Personnel Board might review the reasonable range of such salaries in comparison with other towns to see if Mattapoisett's salaries are comparable. Mr. Urion said that while, to date, the Personnel Board has been concerned only with salaried personnel it may well perform a valuable service in the survey of elected officials' salaries.

### Gong Show!

It's All in Fun and Fun For All! The trophies are being shined in anticipation of the Big New Gong Show, sponsored by the Mattapoisett Woman's Club to benefit the Scholarship Fund. Here is your chance to fill the empty space on the mantel with one of the handsome trophies that you could some day show your grandchildren or great-grandchildren with pride! You might even win the cash award! All you have to do is polish your best act and present it on November 5 at the Gong Show. If the judges like it, you're on the way! And ALL KINDS OF TALENTS are needed so none need be left out.

It's all in fun and fun for all and for a worthy cause afterall, so don't be shy. Proceeds from the event will go into scholarships given annually by the Mattapoisett Woman's Club to a local high school student. Last year's recipients were Leslie Henderson and Denise Poitras.

Call either of the Gong Show chairwomen today: Mary Jean Blasdale at 758-4910 or Timmy-Ann Russell at 758-4687 to sign up

## O.R.R. Sports

The Varsity Soccer team started off the season by defeating Avon High 6-0, New Bedford Voke 4-2, and Upper Cape 2-2.

The Cross Country team started off the season on the right foot by defeating Apponequet 25-30 and New Bedford High 24-32. Leading the way for the Bulldogs were Jim Wingate, second in both meets; Larry Seidl, third and second; Chuck Wordell, 2nd and third; Mike Fay, seventh and sixth; and Craig DeLuca, ninth both times. The team is adjusting quite well from the jump to Division 1 from 3.

The Volleyball team also started the season well by scoring 3 impressive wins over Coyle-Cassiday, Westport and Coyle-Cassidy again. The score of the first Coyle-Cassidy game was 15-9 and 15-1. The Westport score was 15-6, 15-6 with Kate Bauer playing extremely well. The second Coyle-Cassidy score was 15-1 and 15-2. Playing well in this game were Ann DeSorcey, Debbie Johnson and Ann Worden.

at the University of Massachusetts with the award of a Master of Science degree in physics and a Doctor of Philosophy degree in Astronomy. His dissertation research involved an investigation of pulsars -- rapidly-spinning, super-dense celestial objects which emit series of intense radio pulses. When they were discovered in 1968, astronomers were so amazed by these Morse code-like signals that they dubbed the objects Little Green Men. Dr. Helfand's research was carried out primarily at the Five College Radio Astronomy Observatory in central Massachusetts, although he also conducted supporting observations at installations in West Virginia, California, and Puerto Rico. He has reported the results of his work at con-

ferences in Haverford, Pennsylvania, Atlanta, Honolulu, Italy, and Germany. Recently, he accepted a staff position at the Columbia University Astrophysics Laboratory in New York to pursue research on cosmic X-ray sources using earth-orbiting satellite observatories.

### 3 SENIOR STUDENTS COMMENDED

Principal David S. Hagen has announced that 3 senior students at Old Rochester Regional High School have achieved Commended student status in the twenty-third annual (1978) National Merit Scholarship Program. This honor is the result of each student's outstanding performance on the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) which was administered nationwide to high school juniors in October 1976. Letters of Commendation were presented to Joanne M. Gingrass, Thomas Marvin and John A. Whitney.

A total of approximately 35,000 Commended students throughout the United States are being honored by the National Merit Scholarship Corporation (NMSC) which administers the yearly scholarship competition. Students in this group represent less than two percent of the total of graduating U.S. se-

condary school seniors. Although these students scored slightly below the level required for Merit Program participants who were named Semifinalists and who will continue in the competition for Merit Scholarships to be awarded in 1978, each Commended student has demonstrated exceptional academic promise. A spokesman for NMSC stated that the corporation believes "the high standing of Merit Program Commended students is an attainment that deserves their public recognition, because the nation as well as these students will be benefited by continued educational and personal development of their talents."

Commended students do not continue in the Merit Scholarship competition, but to increase their opportunities for college admission and financial aid NMSC has offered each an opportunity to have identifying information sent by the corporation to two higher education institutions selected by the student.

In addition, NMSC makes it possible for all regionally accredited U.S. colleges and universities to receive home addresses for Commended students, on a cost basis, so

## S.A.T. for Juniors

### SCHOLARSHIP QUALIFYING TEST

Old Colony Regional Vocational Technical High School has announced that juniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 18th at Old Colony Regional Vocational Technical High School,

the PSAT/NMSQT measures verbal and mathematical aptitude--two abilities important in doing college work. The test can also lead to other opportunities for high school students. For example, students can ask to participate in the College Board's Student Search Service which provides their names to colleges interested in students like them.

By taking the PSAT/NMSQT, they can enter the competition for scholarships administered by the National Merit Scholarship Corporation.

For further information call Mrs. Strange at Old Colony, 763-8051.

### YOUTH AGENCIES HAVE OPEN HOUSE

Representatives from youth agencies from the Greater New Bedford Area and Cape Cod attended an open house for the agencies held recently by the Marion Center for Human Services in conjunction with the Greater New Bedford/Fall River Providers Association at the Marion Center's new location at 335 Wareham Road, Marion.

The youth agencies representatives met with representatives from alcohol agencies dedicated to working with youth for an exchange of ideas that would be beneficial to those dealing with the problems of youth in the communities.

Representing Fall River agencies at the morning discussion conducted in the seminar room at the Center were Jame F. McKenna, executive director (Comprehensive Program), Alcoholism Council of Greater Fall River, Inc.; Frederic Z. Alpert, executive director-Detox Director; Peter Fratantuono, counselor-edu-
